A charming village-themed getaway, nestled just 2 km away from the pristine coastline. Experience the best of both worlds—authentic rural rustic vibes surrounded by lush greenery and palm trees, along with the invigorating sea breeze and sandy beaches just a quick drive away. Our resort features meticulously designed cottages that replicate a traditional village setup, offering a "back-to-your-roots" experience without sacrificing modern luxury.

We offer an immersive village experience designed for rejuvenation and fun. Engage in traditional activities like pottery and folk dance, relax in hammocks, and stroll through manicured lawns. Spend time with birds and animals at our mini zoo, or reconnect with classic outdoor games like beach volleyball and badminton. Take a dip in our swimming pool and enjoy a bonfire under the stars.

Village Street Experience Room

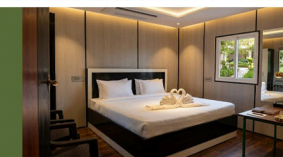

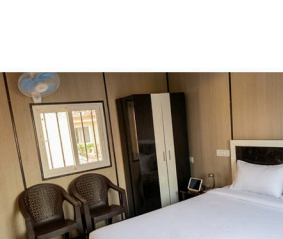

(2 Adults + 1 Child | West Side)

This room offers a serene escape into rural life, blending authentic rustic charm with modern comfort. It takes you back to your roots and creates a nostalgic experience. The space is enriched with warm, earthy tones and handcrafted details, such as woven cots, chairs, and tables in a courtyard setting that opens into the street.

While the vibe reflects traditional village living, modern amenities like air conditioning, TV, geyser, and en-suite bathrooms ensure a comfortable and restful stay.

Your stay here is not only scenic but also eco-friendly, as the building materials used are 100% recyclable.

Village Street Experience Room

(2A+2C / 3A) East side

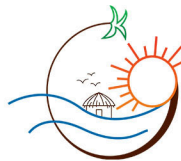

This room offers serene escape into rural life, blending authentic rustic charm with modern comfort. It takes you back to the roots & makes you feel nostalgic. The space is anchored by warm, earthy tones & handcrafted details, such as woven Cots, chairs Eables in courtyard which opens into the street.

While the Vibe is ancient & rural, modern comforts like AC, TV, geyser & wifi with en-suite bathrooms ensure a restful Stay. The stay here is not only scenic like but also Eco friendly as the whole building materials are 100% recyclable.
